SUMMARY

Full-stack developer with 4.5 years of experience designing, developing, and deploying scalable web applications. Strong expertise in Angular, Python (Flask), and modern JavaScript frameworks, with hands-on experience in building RESTful APIs, optimizing UI performance, and managing end-to-end deployments using Docker. Proven ability to work closely with clients, translate business requirements into technical solutions, and deliver high-quality products in fast-paced environments.

TECHNOLOGIES AND TOOLS

Frontend: Angular, React.js, Next.js, HTML, CSS, JavaScript

Backend: Python (Flask), Node.js, Django (basic), PHP (basic)

Database: PostgreSQL, MongoDB, SQL Server

DevOps & Tools: Docker, Git, GitHub, Bitbucket, Jira, Selenium, PuTTY

Core Skills: REST API Development, API Integration, Authentication & Authorization, UI/UX Implementation

RELATED EXPERIENCE

Software Developer
Aloha Technology Pvt Ltd

Pune, Maharashtra
Sept 2021 to Present

- Developed and maintained scalable web applications using Angular, React, and Flask for enterprise-level clients.
- Designed and implemented RESTful APIs, enabling seamless integration between frontend and backend systems.
- Built and delivered multiple business-critical modules, improving data handling and system efficiency.
- Led UI development efforts, creating responsive and user-friendly interfaces aligned with client requirements.
- Deployed full-stack applications using Docker, ensuring consistent and efficient environments across development and production.

- Collaborated directly with clients to gather requirements, provide technical solutions, and meet delivery timelines.
- Optimized application performance and improved user experience through efficient design and implementation practices.

Intern

Genisys Pvt Ltd.

Surat, Gujarat

Oct 2019 to March 2020

- Gained hands-on experience in software development lifecycle and web application development.
- Developed mini-projects to strengthen backend and database concepts.
- Built a Centralized Tuition Management System using Laravel and MySQL.
- Acquired practical knowledge of database design and application architecture.

PROJECTS

Weave IPP (Integration Platform Planning):

Tech Stack: Angular, Python (Flask), PostgreSQL, Docker

- Developed multiple modules to manage factory, store, and product pricing data within a large-scale supply chain system.
- Built REST APIs and integrated them with dynamic UI components for real-time data processing.
- Implemented Docker-based deployment for both frontend and backend services, improving deployment efficiency.
- Enabled real-time data visualization and reporting using charts and dashboards.
- Designed secure authentication mechanisms for admin-level access.

QC Pet Studies:

Tech Stack: Next.js

- Developed responsive and customized UI components based on client requirements.
- Improved user experience through modern frontend practices and optimized rendering.

Centralized Tuition Management System:

Tech Stack: Laravel, MySQL

- Built a centralized platform to manage students, faculty, parents, and administrative operations.
- Implemented CRUD operations and role-based data management features.

Smart City Management System:

Tech Stack: Node.js, MongoDB

- Developed a city guide platform to manage and display information about amenities and

services.

- Enabled efficient data storage and retrieval for improved user accessibility.

E-commerce Web Application:

Tech Stack: Django, MongoDB

- Developed a full-featured e-commerce platform with product management, order tracking, and search functionality. Enabled efficient data storage and retrieval for improved user accessibility.
- Implemented authentication, cart management, and online payment features.

CERTIFICATE

- CCC (Course on Computer Concepts)
- Cyber security & Ethical Hacking
- Basics of Design Thinking

EDUCATION

Sinhgad Institute of Business Administration and Research
Masters of Computer Application

Pune, Maharashtra
2020-2022

C. B. Patel Computer College
Bachelors of Computer Application

Surat, Gujarat
2017-2020

12th Commerce
Bhulka Vihar School

Surat, Gujarat
2016-2017

10th General
Bhulka Vihar School

Surat, Gujarat
2015-2016
